

Sport Premium funding – Evidencing the Impact

The 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer (CMO) guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school;
- the profile of PE and sport is raised across the school as a tool for whole-school improvement;
- increased confidence, knowledge and skills of all staff in teaching PE and sport;
- broader experience of a range of sports and activities offered to all pupils;
- increased participation in competitive sport.

Academic year:		Total funding:			
Key Outcome	Key indicator	Actions	Funding allocated/spent	Evidence/Impact	Measurement/Next steps/Sustainability
<i>Transport</i>	5	• Contributions to cover costs of transporting pupils to and from school games and competitive sports events.	£3000/ £3000	• Enables travel to events and competition.	• Transport is only booked when necessary and this will continue to allow for more sporting opportunities for the children. • Increases in travel costs means we will have to ask for parents to support costs. •
<i>Physical activity leader for break/lunch times and interventions</i>	1,2,3,4	• Employ a physical activity leader to lead interventions and monitor physical fitness. • Provide structured physical activity during break times and lunch times for year R-6. • To assist at competitive events.	£10,000/ £10,000	• Children in KS2 complete an additional 30 minutes of physical activity each week, with a focus on 'personal best'. • Children record their own 'personal bests' in a small book and target improving them.	• Explore more club links to encourage further participation out of school.

<i>Equipment, competition, swimming and maintenance.</i>	1,2,3,4 & 5	• Additional swimming for years 4 and 5 to improve likelihood of children reaching the required standard of 25m. • Equipment to ensure all PE lessons can be taught with correct and safe resources. • Costs for entering competitions. • Sports safe UK to check the equipment.	£5000/£5000	• PE equipment allowed children to become familiar with equipment used in cluster and School Games competitions. • Swimming continues to have a positive impact on children's confidence in water.	• Additional costs mean our swimming offer will need to be reviewed, with the possibility of reducing our timetabled swimming.
